

## A Special Thank You...

**Kempenfelt Imaging Systems Inc.** would like to sincerely thank all those who attended our 10<sup>th</sup> anniversary Open House on May 21st.

Our Open House was a great success which included delicious food and an anniversary cake prepared by **Executive Caterers**.

We certainly lucked out with the weather as well; as it was the first day of the year to reach 30 degrees!

We were extremely proud to present a cheque to the **RVH Foundation** for \$10,000.00. Gary Nadlin, the Executive Director accepted the cheque on behalf of the **RVH Foundation**, along with David Blenkarn, Chair of the Foundation.

**Big Brothers, Big Sisters of Barrie and District** was also presented with their quarterly donation as part of our toner cartridge recycling **Green Program**. Marianne Arbour, Executive Director was there to accept the donation, along with Jeff Walther, President of **Big Brothers, Big Sisters of Barrie and District**.

It truly meant a lot to have our clients, friends and family stop by to celebrate with us, as we could not have done this without them. For those who were unable to attend due to previous commitments, we will keep you posted as we plan to host another barbeque very soon!

*Thank you for all who have supported K.I.S. over the past 10 years,  
we look forward to many more years to come!*
